

A PARTNERSHIP FOR THE LONG HAUL.

Korean Air and Delta Air Lines bring our travelers a more convenient way to North America.

Korean Air and Delta have created an one-of-a-kind joint venture partnership to enhance your travel experience across the Pacific. All customers can enjoy a range of benefits, including:

A BETTER AIRPORT EXPERIENCE.

- Both Korean Air and Delta use Seoul-Incheon's state-of-the-art Terminal 2, dedicated to SkyTeam® carriers.
- Enjoy faster boarding with automated facilities and enhanced Korean Air lounge service.

CONVENIENT BOOKING.

- Flights can be easily booked and ticketed by all customers as KE and DL co-operate seat availability.
- Advanced seat assignment is available via codeshare.

MORE FLIGHTS TO MORE DESTINATIONS.

- Customers now have more choice with convenient access to 290+ destinations in the Americas.
- Enlarged US network offers more reasonable fare for off-line cities than ever before.

AWARDING OUR TRAVELERS.

- Customers of both airlines can earn more miles on Korean Air's SKYPASS program and Delta's SkyMiles® program.
- Corporate discounts are equally provided for both carriers on ICN-US routes.
